

Floby Durk AB

Floby Durk is a stable company with factory and office in Floby, Sweden. The well-known Floby slit plank type flooring, is the backbone of the business. We are manufacturers of spiral staircases, straight staircases, special design staircases, building staircases, ramps and galleries.

Our motto is stability through knowledge and we want to be a company that is built on a long-term partnership with our customers. We strive to be a reliable supplier with satisfied customers. Since our start in 1979, all our sales, design and manufacturing have taken place in Floby.

We have a long tradition in producing spiral staircases. The spiral staircase is made for evacuation and industry. We also manufacture exclusive indoor staircases. Our wide range of staircases makes us unique.
