

# Häfla Bruks AB

Häfla Bruks AB is a supplier of forging, sheet metal and metal products. Our range includes expanded metal, gratings, railings, staircases and ramps but also sheet metal- and laser cutting services. Häfla Bruk has Scandinavia's most extensive manufacturing program of expanded metal.

With more than 300 years of experience, we can meet customer needs. Our tradition, knowledge and development makes Häfla Bruk a unique partner.

During the centuries our extensive knowledge and skills have developed.

On Häfla Bruk, we know that the standard solutions are not always what you want. We therefore work constantly to think of new solutions to meet customer needs. As the world is constantly changing, we on Häfla Bruk is focusing on the future. We invest in automation and development of products and production equipment.
